

Defender® Thistle® Bird & Pest Deterrent

Fuglepigger for Spurv og Svaler

Product Code: BIRD0030

EAN: 5060298012890

Suitable for: Starlings, Sparrows, Small Garden Birds, Pigeons, Seagulls and other large birds. It also works for cats, foxes, squirrels, rats & other pests.

Ledge Protection:

Maximum 90 mm (3.5 inches)

Made from:

UV Stabilised Polycarbonate base, temperature resistance with no loss of mechanical strength from -20°C to 130°C.

Pins Per Strip:

It is 62 mm in height and once installed is virtually invisible from the ground. Each strip has 80 pins that fan out at 8 different angles

Rows:

An impenetrable pattern of 8 rows of pins fanning out at 8 different angles.

Snappable Sections:

Along the base there are 4 grooves where the spike can be snapped in to 5 smaller pieces that are 65 mm long. This is useful when installing on undulating, curved or uneven surfaces.

Installation:

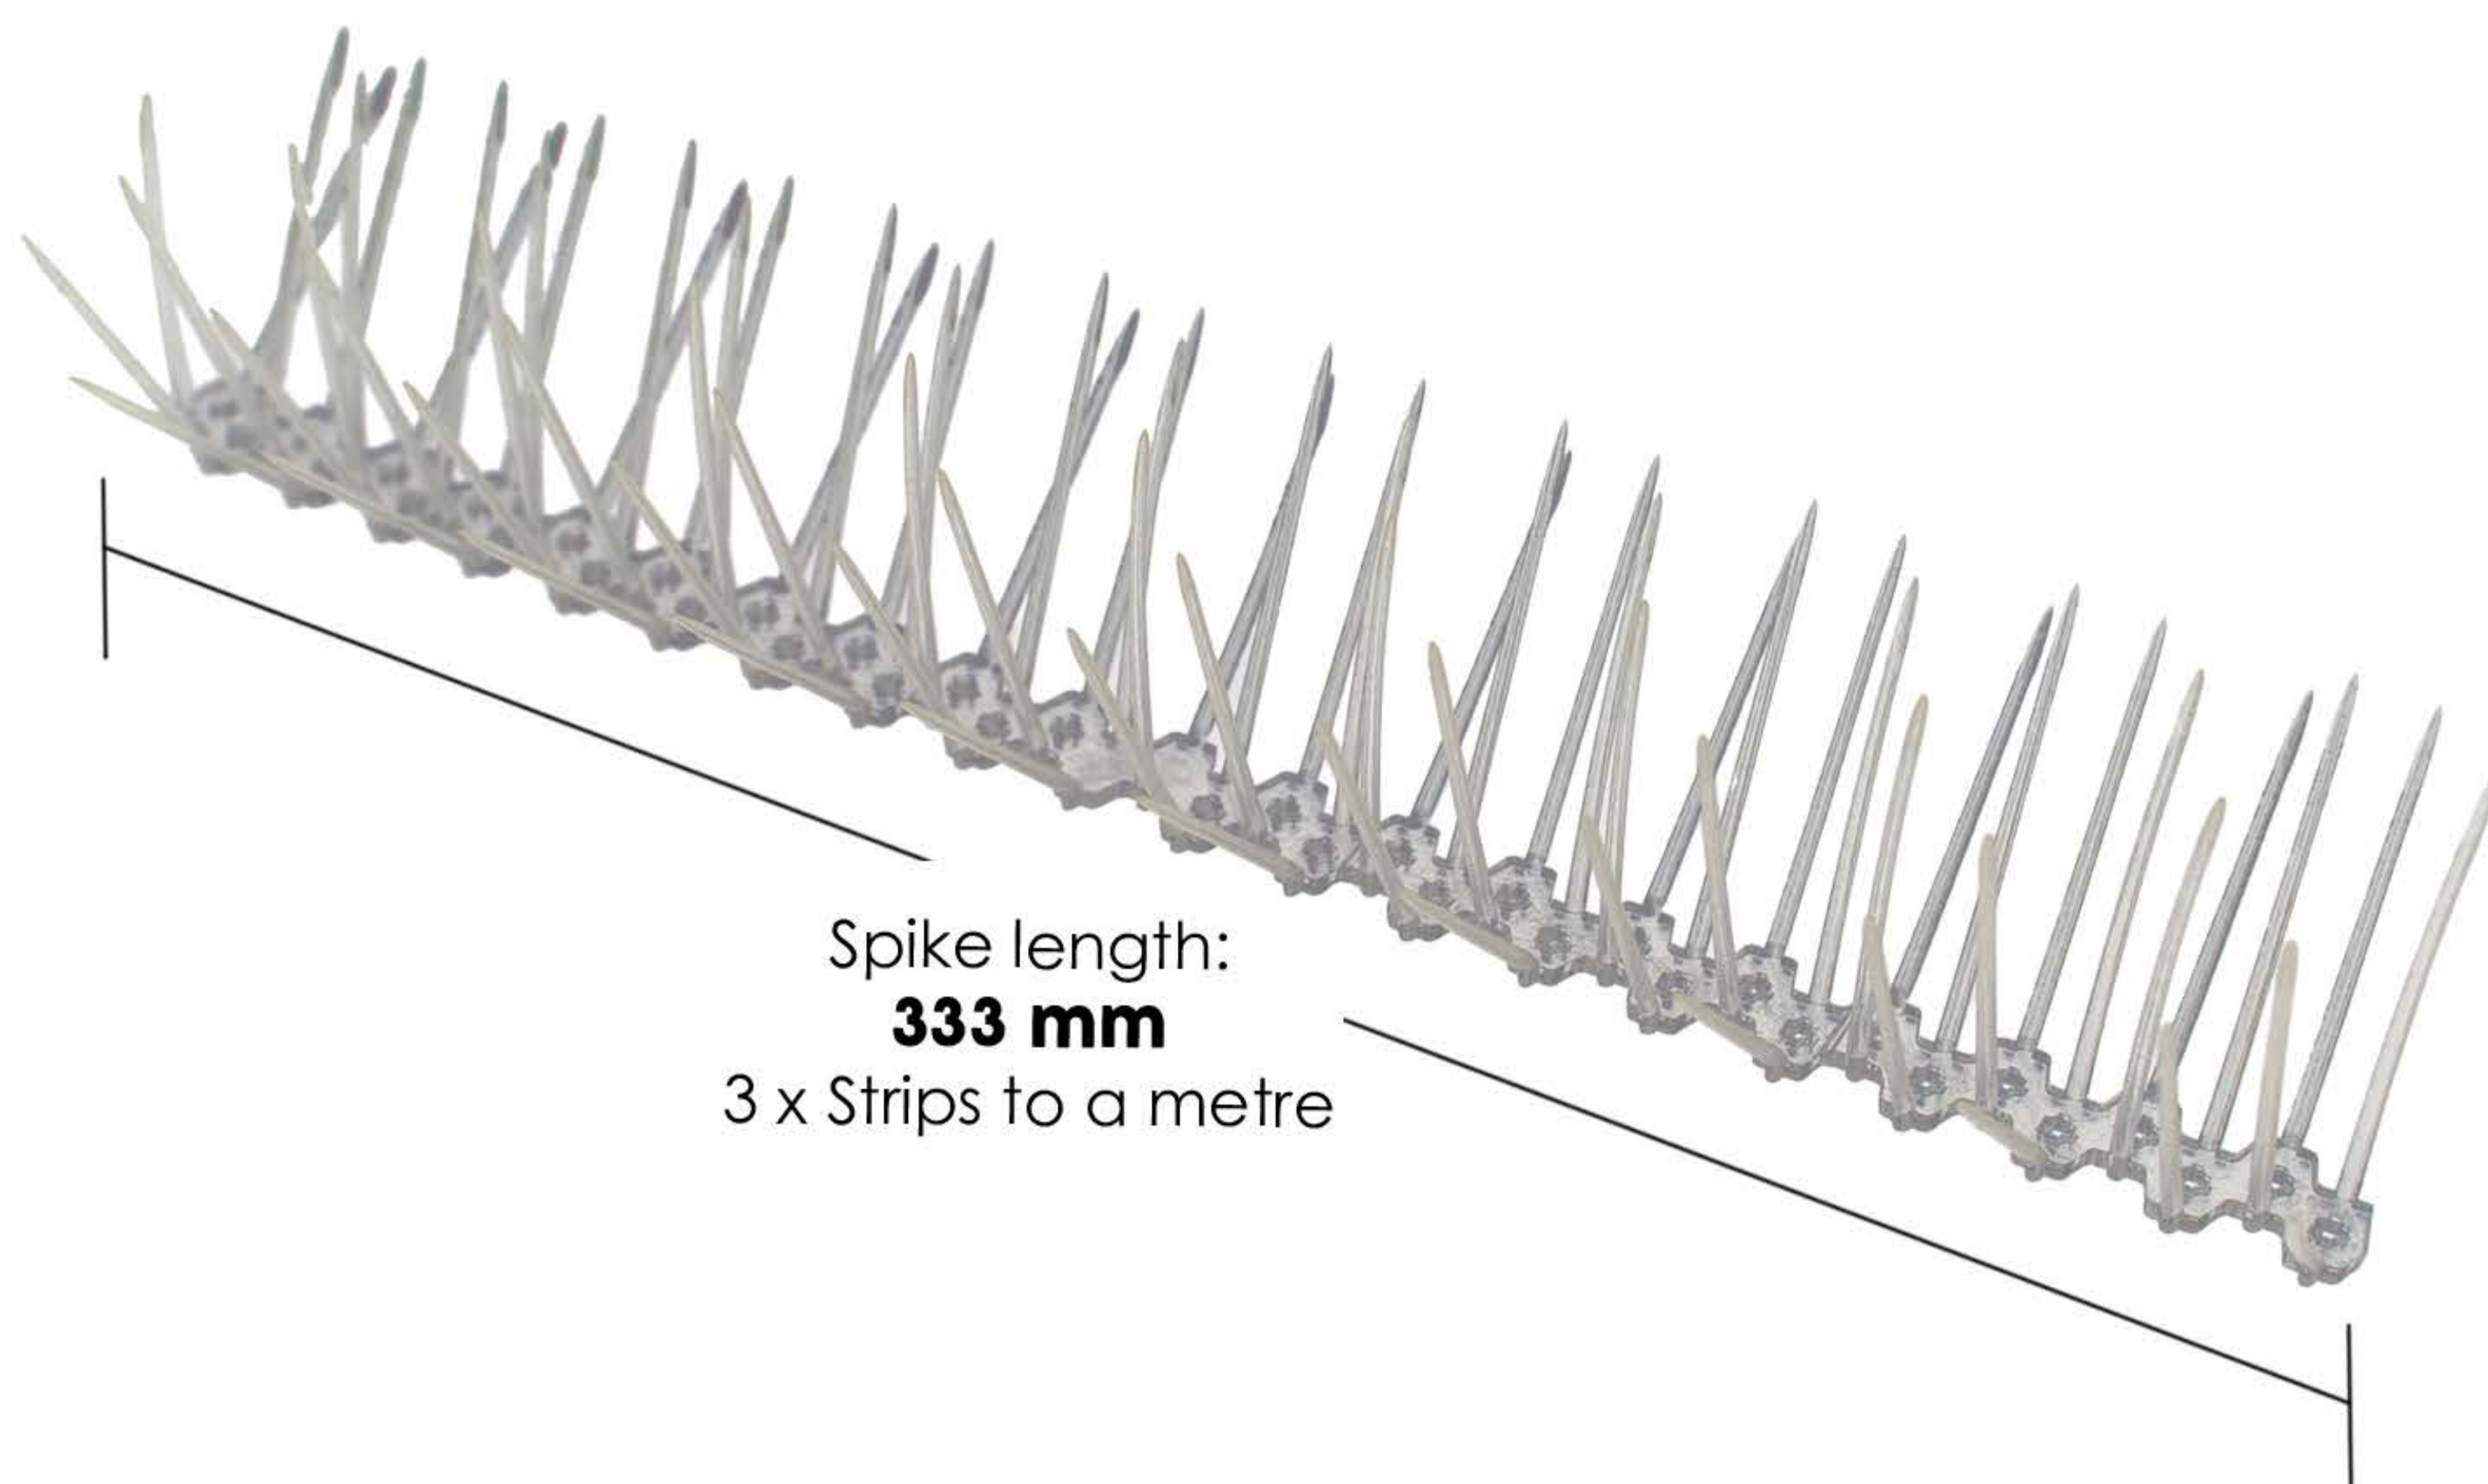

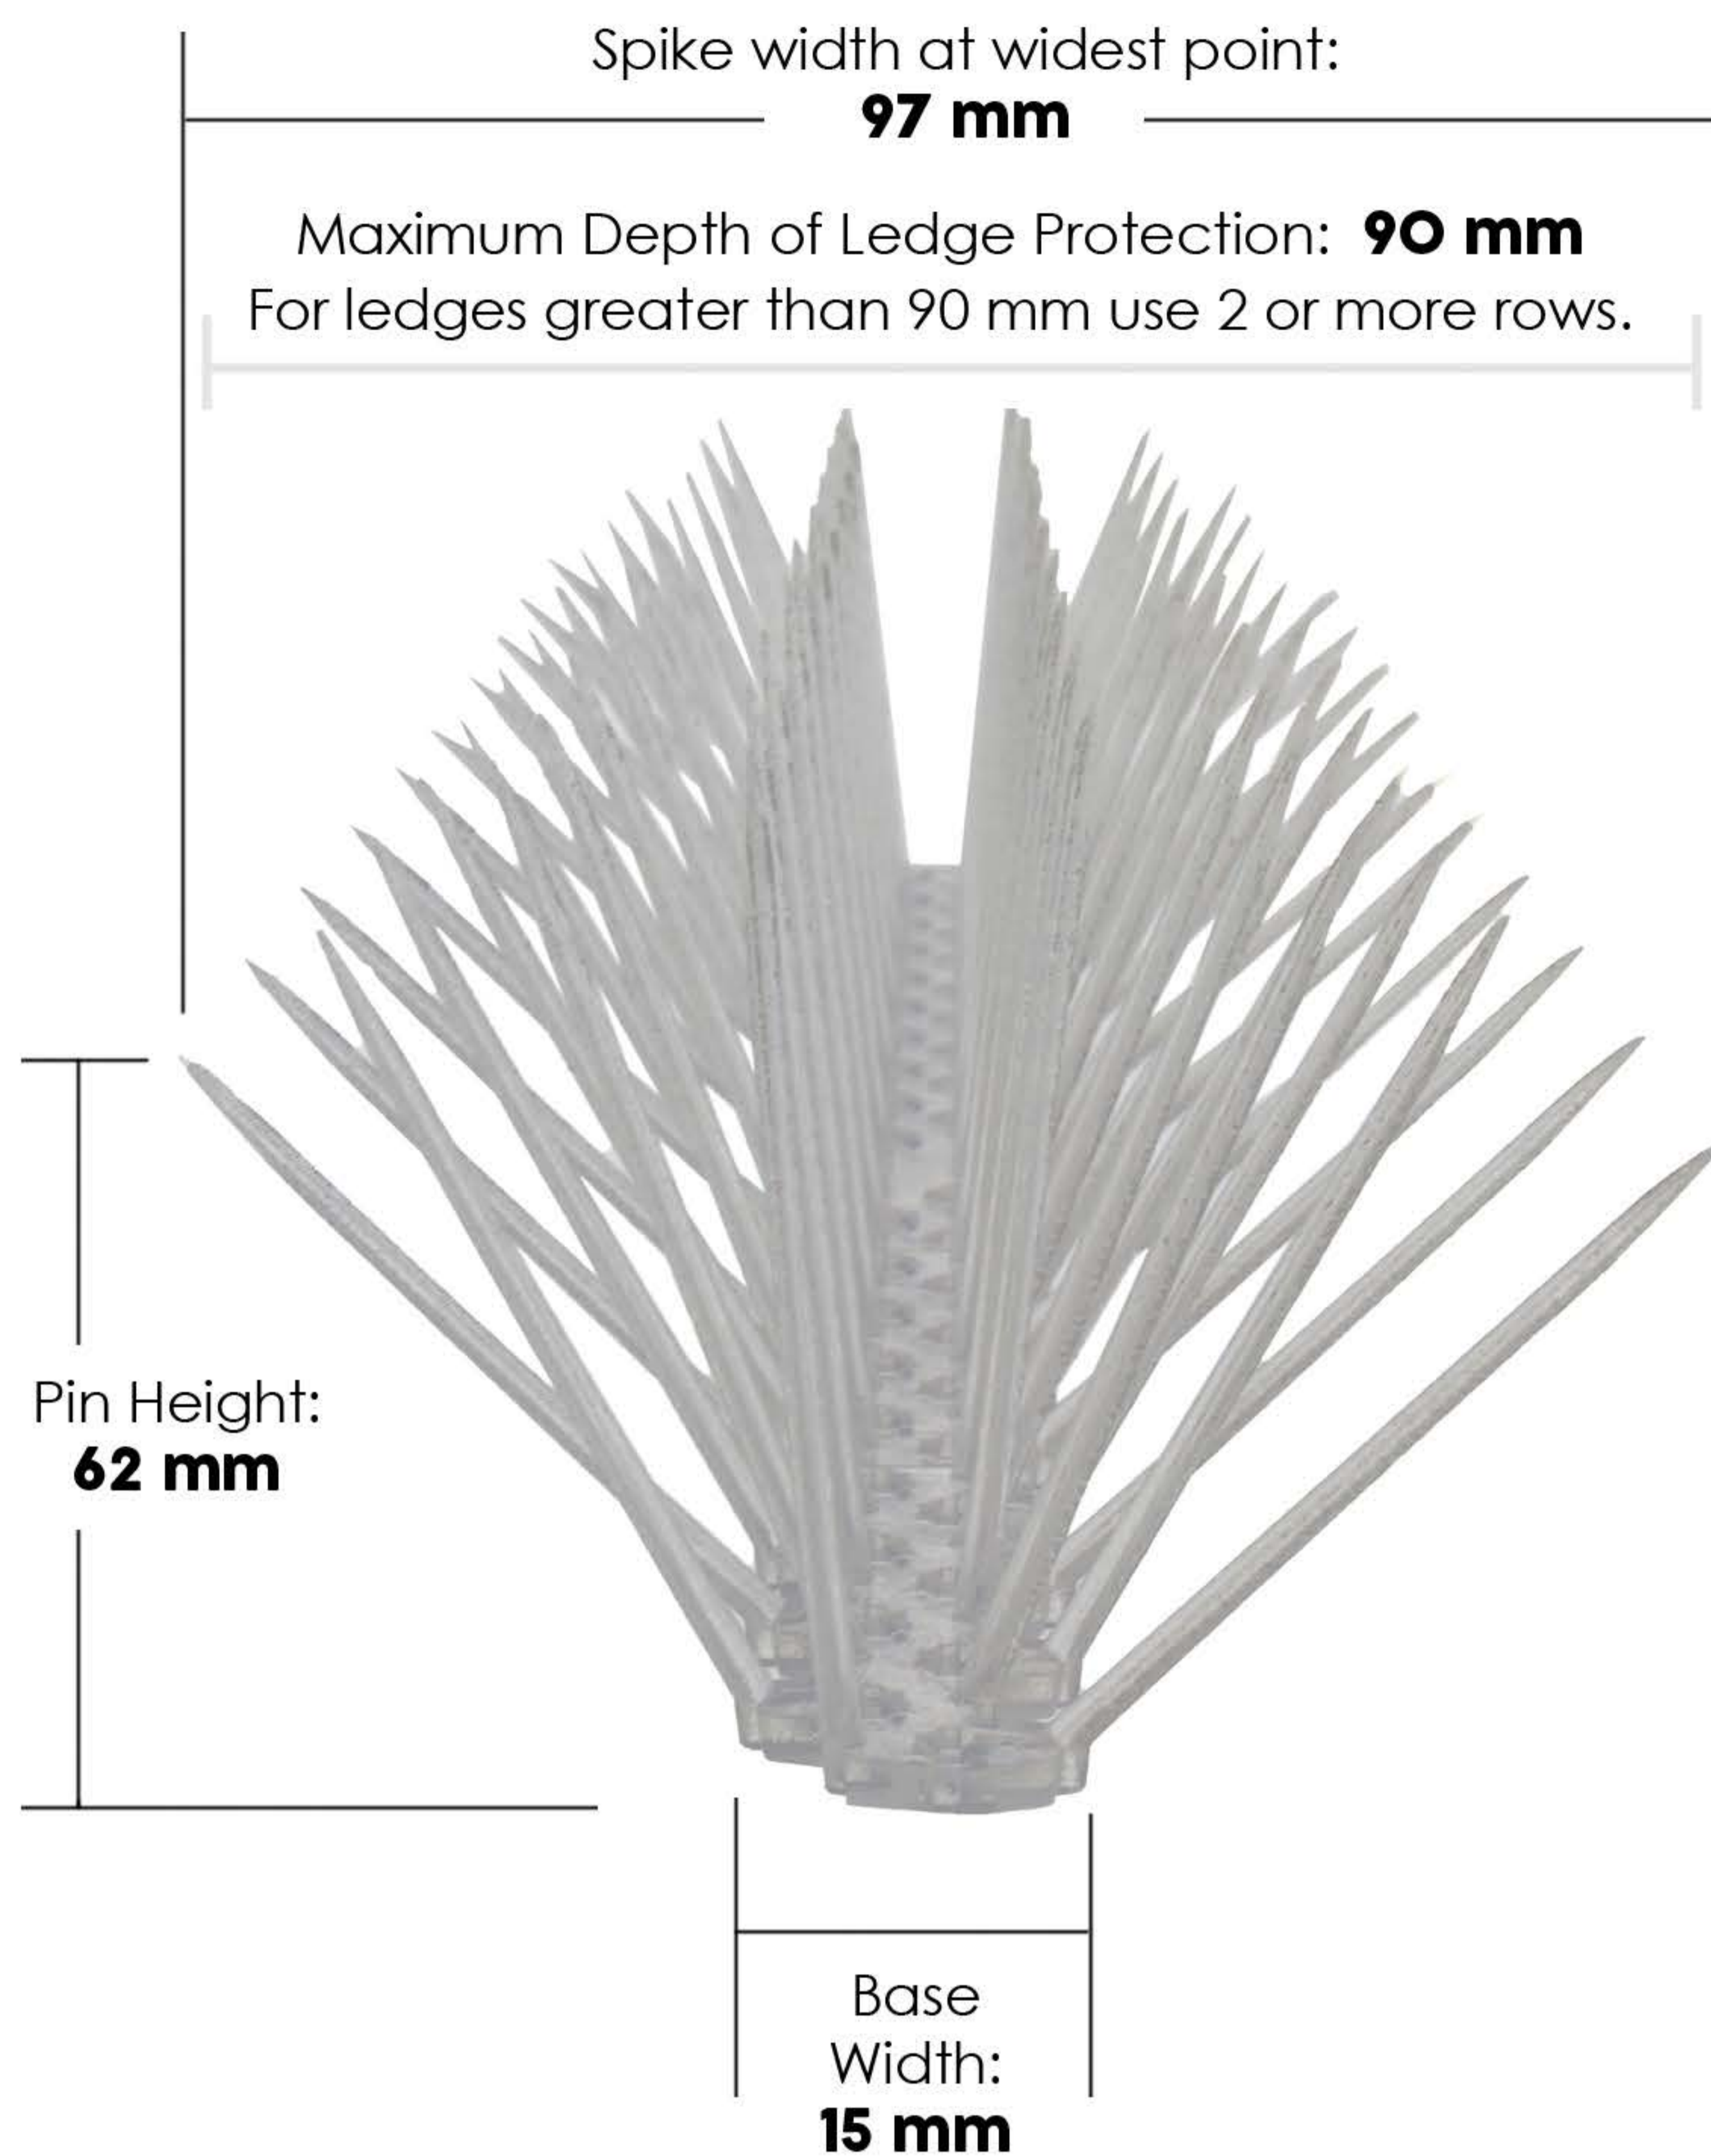

Stick or screw onto the surface requiring protection. Always read in conjunction with the installation guide. Along the base are 38 cross-shaped holes. When the spike is siliconed onto a ledge, the adhesive oozes through the holes. This locks the spike into position. It can also be installed with screws or cable ties.

Note: Before full installation, always stick down one strip for 24 hours to ensure the suitability of glue.

Warranty:

These spikes come with a 15 Year Warranty when installed in the UK. Terms and Conditions apply - see website.

Disclaimer: It is always the responsibility of the user to install as per the manufacturer's installation guide - see website.
